Like every other morning,

this is how Nacho wakes me up every time

After waking up,
I make the bed.

wash up..

get dressed and get
my hair done.

And then I pack
my lunch box.

Today's menu is stir fried fishcake,
sauteed lotus roots, and kimchi

Since there isn't much time,
I just pack what's available

After all preparations are done,
I greet Nacho,

and set out.

I need to go through the market
to get to the bus stop

While walking through the busy morning market,

The aromatic food smells.

makes me happy

When I arrive at work,

I eat a simple breakfast

I work like a storm, waiting for lunch time

During lunch, we all eat what we brought

And I work like a storm again until it's after-work time

Today is Friday

And so because of this saying,
we all go home early today

In the bus coming home, I decide what's
for dinner and search for the recipe

Then I buy the ingredients
on the way at the market.

And her finally home

I feed Natcho and
refill the water bowl.

Then I get ready to make dinner.

It's a Beginner.

I need to remember the cooking order
in order to cook smoothly

my boyfriend arrives.

When my boyfriend comes,

we set up the table together

TODAY'S DINNER

Then, we sit down facing each other

and eat.

This is the start of our week-end date

Running here and there, all beaten up.

After a rough working week,
it's the start of our

resting days.
